Product **Description**

With future-proof connectivity, the ViewSonic® VA2456a-MHD is a productivity-boosting monitor perfect for business applications. Designed with SuperClear® IPS panel technology for wide-angle viewing and incredibly vivid colors, this monitor also features a 3-sided frameless design for a seamless viewing experience in multi-monitor setups. Extensive connectivity options include VGA, HDMI, and DisplayPort so that you can connect to a variety of HD and analog devices – today and tomorrow. In addition, Flicker-Free technology and a Blue Light Filter help to minimize eye strain from extended viewing periods. With ViewSonic’s industry-leading 3-year limited warranty, this monitor is a solid long-term investment for enterprise and home applications.
