TV Ceiling Mount - Full-Motion Universal Hanging Single Screen Mount with Adjustable Telescopic Short Pole - Tilt / Swivel - VESA Bracket for 32”-75" Displays

Product ID: FPCEILPTBSP

This ceiling TV mount supports VESA mount compatible TVs from 32" to 75" in size, with a weight capacity of up to 110 lb. (50 kg). It lets you save wall and floor space by hanging your flat-panel LCD, LED or plasma TV from the ceiling in a prominent area.

The ceiling mount is ideal for use in corporate boardrooms, lobbies, entrances, restaurants, bars and meeting places.

With a telescopic pole, the TV mount lets you suspend a display at your desired distance from the ceiling. This works well with a range of ceiling heights. The steel pole can extend from 22" to 33.5" (560 to 910 mm), with a total lift (height extension) of 13.7" (350 mm).

The flat-screen ceiling mount accommodates a wide variety of ceiling types. You can swivel the TV to work with virtually any type of ceiling for level viewing, including sloped ceilings (up to 60 degrees), and pitched or horizontal (flat) ceilings.

You can adjust your TV to create a comfortable viewing angle, by tilting it up to -25 degrees down towards your audience for optimum visibility. Plus, the full-motion mount lets you swivel your display around the pole + 180 / - 180 degrees, without using tools.

Simply attach the included vertical brackets, with built-in hooks, to the back of your TV. Once attached, hang your TV securely onto the ceiling mount. The +/-3 degree post-installation leveling adjustments ensure ideal positioning after hanging.

FPCEILPTBSP is backed by a StarTech.com 5-year warranty and free lifetime technical support.

Certifications, Reports and Compatibility

Applications

• Suspend a flat-screen TV from the ceiling for easy viewing

• Ideal for boardrooms, lobbies, entrances, meeting spaces, classrooms

• Keep your guests informed and entertained

Features

• SINGLE 75" TV CEILING MOUNT: VESA compatible ceiling mount supports displays up to 75" (110lb/50kg) including curved TVs; Height adjustable pole, 22.0" - 35.8" (56cm - 91cm) from ceiling
