Desk Mount Dual Monitor Arm - Premium Articulating Monitor Arm - up to 27" (17.6lb/8kg) VESA Mount Displays - Height Adjustable Monitor Mount - Rotate/Tilt/Swivel - Clamp/Grommet - Silver - TAA

Product ID: ARMDUALPS

Create an ergonomic workspace with this premium desk-mount dual monitor arm, for monitors up to 30" each. The two articulating monitor arms with dual-swivel action offer a wide range of motion side to side. The attractive silver finish enhances the aesthetics of your workspace.

The dual articulating monitor arms offer a wide range of motion on several axes. It provides effortless motion to adjust the position of your monitors.

The robust aluminum design provides stable support for your monitors. The computer-monitor desk mount supports two VESA mount monitors (75x75, 100x100) with a weight capacity of up to 22 lb. (10 kg) per display. The cable-management channel helps to keep your workstation neat and tidy.

Share your screen with ease. The double monitor mount offers a full +180-degree / -180-degree pan, to move your screen left or right. It tilts freely +90 / -15 degrees to adjust the angle up or down. Rotate your screens for landscape or portrait viewing.

Work in comfort. This height-adjustable monitor mount lets you raise or lower the monitor arms along the pole, with a range of up to 6.3" (160 mm)

The fully assembled desk clamp and pole, plus quick slide-and-click connections, ensure easy assembly. It also saves time when setting up multiple units. The dual-screen mount gives you the option of desk clamp or grommet hole mounting (hardware included).

The TAA compliant ARMDUALPS is backed by a StarTech.com 10-year warranty and free lifetime technical support.

Certifications, Reports and Compatibility

TAA COMPLIANT

Applications

• Mount dual displays to the side of your desk or table in commercial, industrial or office settings

• Grommet mount your displays for dual-screen access in a media room

• Spread displays apart or position them back to back for multi-user workstations
