Mobile TV Stand - Heavy Duty TV Cart for 60-100" Display (100kg/220lb) - Height Adjustable Rolling Flat Screen Floor Standing on Wheels - Universal Television Mount w/Shelves

Product ID: STNDMTV100

This Mobile TV Stand enables you to create a mobile media center, making it easier to move your AV equipment across classrooms, offices, or learning environments. For better stability and safety, the mobile cart was engineered with a large 1.22m x 0.71m base that will let you can mount large displays of 60" to 100" and up to 220lb in weight.

This mobile tv stand with mount will adapt to the different setups that you may encounter in your office space. You can adjust the height of your display from 1.2m to 1.68m from the center of the TV to the floor; and the included adjustment indicators allow you to perform precise adjustments for the ideal viewing height. Additionally, the height adjustment indicators make installation easier and enable you to note the preferred height for specific environments. You can also tilt the viewing angle within +5/-10 to best suit your environments and reduce glare.

For increased portability and customization, this universal mobile cart offers two independently adjustable device shelves (webcam shelf and equipment shelf) that each support up to 11lb/5kg. The webcam shelf can be raised up to 2.37m, while the equipment shelf can be raised up to 0.90m from the floor.

The heavy-duty TV stand's durable construction makes it ideal for commercial use, in environments with multiple users and frequent movement between areas. Built-in cable management keeps your cables organized and hidden from view.

STNDMTV100 is backed by a StarTech.com 5-year warranty and free lifetime technical support.

Certifications, Reports and Compatibility

Applications

• Create a mobile media center, making it easier to move your AV equipment across classrooms, offices, or learning environments
