USB 3.0 Multi-Media Memory Card Reader, SD/microSD/CompactFlash Card Reader, Portable USB 5Gbps Card Adapter, External USB-C Card Reader with Attached USB-A Adapter - Works with Any Operating System

Product ID: FCREADMICRO3V2

The USB 3.0 Multi-Media Card Reader allows for simultaneous read and write operations on SD, microSD, and CompactFlash cards using a single USB-C or USB-A port.

It features a 1ft (30cm) attached cable with a USB-C host connector and an integrated USB-A adapter for multi-device connectivity. The USB Card Reader is driver and software-free, and compatible with all operating systems, including Windows, macOS, Linux, ChromeOS, Android, and iPadOS.

The SD card slot supports the mechanical write protect switch, which prevents accidental or unauthorized deletion, modification, or overwriting of data. This feature allows the use of the same card on multiple hosts while ensuring data protection.

This USB-powered card reader is designed to be compact and lightweight, making it ideal for mobile users and business travelers who need to store, edit, and transfer content for videography, photography, podcasting, and social media applications.

This Card Reader is compatible with High-Capacity and Extended-Capacity SD Cards, such as SDHC, microSDHC, SDXC, and microSDXC. It can also work with miniSD cards when used with adapters (not included). Additionally, it supports Secure Digital v3.0 UHS-I.

Certifications, Reports and Compatibility

Applications

• Photographers who regularly need to transfer files from a camera memory card to a computer

• Transfer files to and from a variety of portable devices, each using a different memory card format

• Mobile users and business travelers who need a compact and lightweight card reader that can fit in a pocket

Features

• USB 3.0 MULTI-CARD READER: USB 5Gbps Card Reader features 1x SD, 1x microSD, and 1x CompactFlash (CF) drive slot; USB-powered card reader allows for simultaneous read/write operations to all three drive slots using a single USB-A or USB-C port

• MULTI-DEVICE CONNECTIVITY: 1ft (30cm) attached cable with a USB-C host connector and an integrated USB-A adapter enables connectivity to a variety of host devices; Compact and lightweight design for mobile users and business travelers

• NO DRIVERS OR SOFTWARE: Supports any operating system including Windows, macOS, Linux, ChromeOS, Android, and iPadOS; Ideal for storing, editing, and transferring content in videography, photography, podcasting, and social media applications

• WRITE/RE-WRITE PROTECTION: SD card slot supports the mechanical write protection switch, which helps prevent accidental or unauthorized deletion, modification, or overwriting of data; Use the same card on multiple hosts while ensuring data protection

• WIDE COMPATIBILITY: Works with High-Capacity and Extended-Capacity SD Cards (i.e. SDHC, microSDHC, SDXC, and microSDXC); Compatible with miniSD when used with adapters (not included); Supports Secure Digital v3.0 UHS-I

General		
	UPC	065030899178
	Package Quantity	1
	Warranty	2 Years
Power		
	Power Source	Bus Powered
Physical & Environmental		
	Color	Gray
	Product Length	1.1 in [27.7 mm]
	Product Width	15.3 in [38.9 cm]

	Product Height	0.6 in [14.7 mm]
	Weight of Product	1.6 oz [45.0 g]
	Operating Temperature	0C to 45C (32F to 113F)
	Storage Temperature	-10C to 70C (14F to 158F)
	Humidity	10% ~ 85% RH (non-condensing)
Performance		
	Maximum Data Transfer Rate	5Gbps
	Memory Media Type	microSD
		SDHC (Secure Digital High Capacity)
		SDXC (Secure Digital eXtended Capacity)
		microSDHC (Micro Secure Digital High Capacity)
		microSDXC (Micro Secure Digital eXtended Capacity)
		Secure Digital Card
		Multi Media Card
		Compact Flash II
	MTBF	10,466,926 Hours
Hardware		
	Interface	USB 3.2 Gen 1 (5Gbps)
	Bus Type	USB 5Gbps
	Chipset ID	AU84610
Packaging & In-the-Box		
	Included in Package	1 - Multi-Media Memory Card Reader
		1 - Quick-Start Guide
	Package Width	6.9 in [17.4 cm]
	Package Depth	5.6 in [14.3 cm]

	Package Height	1.3 in [33 mm]
	Shipping (Package) Weight	3.8 oz [108 g]

Connector(s)		
	Host Connector 1 (Quantity)	1
	Host Connector 1	USB-C (5Gbps, 4.5W)
	Connector 1 (Quantity)	1
	Connector 1	SD Card Slot
	Connector 2 (Quantity)	1
	Connector 2	Micro SD Card Slot
	Connector 3 (Quantity)	1
	Connector 3	CompactFlash Slot
