16-inch MacBook Pro M1 M2 M3 M4 M5 Magnetic Laptop Privacy Screen, Blue Light Screen Protector, Reversible Anti-Glare Matte or Glossy Sides, Laptop Privacy Filter

Product ID: 162MM-PRIVACY-SCREEN

This Laptop Privacy Screen is designed to work with your M1, M2, M3, M4, and M5 16-inch MacBook Pro.

This privacy filter is a convenient and cost-effective solution to protect confidential data from unwanted viewers. The privacy shield darkens your computer's screen from the side while providing a clear viewing angle of 60 degrees (+/- 30 degrees from center) to the user.

The privacy screen protector is reversible, with a matte anti-glare side for environments prone to glare and a high-gloss side that helps retain color vibrancy. The matte side provides additional screen protection with a fingerprint and scratch resistant coating. The privacy shield has a light transmittance of 60% providing optimal screen brightness and enhanced levels of privacy.

Attach the privacy screen shield using the slim built-in magnetic strips. Included protective sleeve to stow away/protect the privacy screen from damage when not in use.

Reduce eye strain and improve visual comfort by reducing blue light exposure. The 16” MacBook Pro M1-M5 screen filter blocks up to 51% of the blue light emitted from the display. Digital eye strain can lead to symptoms like headaches, dry eyes, and blurred vision.
