Poly Voyager Free 60+M UC Carbon Black Earbuds +BT700 USB-C Adapter +Touchscreen Charge Case (7Y8H0AA)

Overview

True wireless earbuds for work and life

Tune into a world full of sound and free of noise with these earbuds. Whether you're on a video call or into your playlists, these wireless earbuds are designed to keep you productive, connected and entertained.

Say hello to your new work buds

Each bud has a three-mic array that triangulates on your voice and minimizes surrounding noise so you're always loud and clear. Whether you are in a video meeting or a call, these wireless earbuds are designed to keep you productive and connected.

Won't wear out its welcome before you finish your day

Designed for all day wear, these ear buds are lightweight, come with 3 sizes of conical-shaped ear tips engineered for maximum comfort, and advanced sidetone technology that keeps you aware of how loud you are speaking so you aren't straining your voice.

Status and audio controls at your fingertips

The touchscreen charge case lets you remotely control your earbuds, switch Bluetooth® connections and wirelessly connect to inflight entertainment systems in addition to fully recharging your buds two times.

Features

Clear, distraction-free calling

Stay focused and keep out the distractions of the outside world with adjustable hybrid adaptive active noise cancelling (ANC).

Advanced noise reduction

With three microphones per earbud and WindSmart technology for clearer outdoor calls, you'll always be heard above the background noise.

Discrete, comfortable design

Designed for hours of comfortable use in even the most demanding enterprise environments, you'll look and sound your best on calls with these discreet wireless earbuds.

Easy connection to Bluetooth® devices

Connect up to two Bluetooth® devices at any time with multipoint technology (remembers up to 8 Bluetooth® devices). Easily manage which two devices via the touchscreen charge case. [1]

Charge case with touch screen

Easily connect, configure and control your earbuds including mute using the touchscreen charge case. [1]

Wirelessly connect on airplanes

Perfect for airplanes: Easily switch to airplane mode and connect to inflight entertainment systems via 3.5 mm connection on the touchscreen charge case.[1]

Wireless range	Up to 30 m
Wireless range (imperial)	Up to 98 ft

---

[1] SoundGuard Digital Plantronics owns sophisticated algorithms including: Protects against Acoustic Shock by limiting sounds to below 118 dBA; G616 anti-startle protection that limits the noise level to below 102 dB SPL and is therefore compliant to the Australian Communications Industry Forum (ACIF) G616 recommendation; Average daily noise exposure measures and controls sound to prevent the average daily sounds exposure from exceeding 80 dBA or 85 dBA time-weighted average (TWA).

[2] Requires Poly Lens Desktop App to enable SoundGuard Digital features.

[3] Requires downloadable software on Poly.com/lens. Host PC requires Windows 10 or higher.
