1ft (30cm) Power Extension Cord, IEC 320 C14 to NEMA 5-15R, 10A 125V, 18AWG, Black Computer Power Extension Cord, AC Outlet Extension Cable for Power Supplies/PDUs/ Network Equipment, UL Listed

**Product ID:** PAC100

The PAC100 1ft Computer Power Cord/Cable enables you to use the switched source on your PC to power your monitor or printer.

Expertly designed and constructed with durable materials, these C14 to NEMA 5-15R cables feature one hooded power plug and one computer power receptacle. They are built with 18 AWG wire and are rated to carry 125V at 10A.

The additional length provided by the monitor power cords allows for cleaner cable management when connecting multiple powered devices.

StarTech.com conducts thorough compatibility and performance testing on all our products to ensure we are meeting or exceeding industry standards and providing high-quality products to our customers. Our local StarTech.com Technical Advisors have a broad product expertise and work directly with StarTech.com Engineers to provide support for our customers both pre and post-sales.

## Certifications, Reports and Compatibility
