Mini DisplayPort to HDMI Adapter - mDP to HDMI Video Converter - 1080p - Mini DP or Thunderbolt 1/2 Mac/PC to HDMI Monitor/Display/TV - Passive mDP 1.2 to HDMI Dongle - White

Product ID: MDP2HDW

The MDP2HDW passive Mini DisplayPort to HDMI Video Adapter/Converter (White) offers a convenient HDMI/Mini-DisplayPort link, which enables you to connect an HDMI computer monitor or television to a device with a Mini-DisplayPort output (such as any Microsoft Surface Pro with mDP), while saving the expense of upgrading the monitor for compatibility.

The adapter supports high resolution output up to 1920x1200, offering a high quality solution for mirroring or extending a computer desktop onto a second display.

This versatile Mini DisplayPort to HDMI adapter requires a multimode DisplayPort port (DisplayPort ++) connection to function, and is compatible with Intel Thunderbolt output when connected directly to a supporting DisplayPort over Thunderbolt I/O port.

This adapter allows for audio pass-through if supported by the video source. Please review the video source manual to confirm support.

Backed by a StarTech.com 3-year warranty and free lifetime technical support.

Certifications, Reports and Compatibility

Applications

• Ideal for digital entertainment centers, home offices, business conference rooms and trade show displays

• Keep your existing HDMI monitor to be used with your new Mini-DisplayPort device

• Ideal for using your HDMI monitor as a secondary display

Features

• PRODUCT PERFORMANCE: Mini DisplayPort 1.2 to HDMI 1.4 adapter connects your mDP host to an HDMI display Supports 1920x1200 or 1080p 60Hz video, 7.1ch Audio, HDCP 1.4, DPCP 5" (13cm) attached cable White

• HOST COMPATIBILITY: Passive Mini DP to HDMI display adapter supports mDP++ source including Thunderbolt 1 & 2 MacBooks, MacBook Air & Mac Mini, Microsoft Surface Pro 1-6, desktops (AMD FirePro/NVidia Quadro), laptops, mini itx computers, Intel NUC & docks

• INCREASE PRODUCTIVITY: Mini DisplayPort to HDMI adapter connects an HDMI monitor, TV or projector, or add a second display to your workstation; Compact, small form factor design makes it easy to carry between home office and office

• RELIABLE CONNECTION: MiniDisplayPort to HDMI video converter is designed with nickel-plated connectors to ensure enhanced signal quality Tested with HDMI cables up to 50ft (15m)

• EASY TO USE: With no software or drivers required, the mDP to HDMI adapter dongle works with any OS including macOS, Windows & Ubuntu; Compatible with MiniDP devices like Microsoft Surface PCs or TB1/TB2 MacBooks
