10ft (3m) DisplayPort to HDMI Cable - 4K 30Hz - DisplayPort to HDMI Adapter Cable - DP 1.2 to HDMI Monitor Cable Converter - Latching DP Connector - Passive DP to HDMI Cord

**Product ID:** DP2HDMM3MB

This 3-meter (10 ft.)DisplayPort to HDMI adapter cable lets you connect your DisplayPort equipped Ultrabook, laptop or desktop computer to an HDMI television, monitor or projector, with no additional adapters or cables required. The passive adapter supports video resolutions up to Ultra HD 4K, ensuring support for high-resolution applications.

This adapter cable ensures you can maintain an astonishing 4K picture quality, four times the resolution of 1080p, when converting DisplayPort to HDMI. The adapter is also backward-compatible with lower-resolution displays and video sources. With support for high-definition resolutions of 1080p and 720p, you can future-proof your existing setup for 4K video.

For the simplest and most discreet installation, this DP to HDMI adapter connects directly from your DisplayPort video source to the HDMI port on your display. It doesn't need a power source, unlike some converter dongles that require active power and separate bulky video cabling.

With a built-in DP to HDMI adapter, this 3mcable delivers a direct connection that eliminates the need for additional adapters,ensuringa tidy, professional installation. Plus, because the cable is 3 meters (10 feet)in length, the cable is idealwhen connecting your computer to a display that's further away than a standard 6 ft. (2 m) cable.

For shorter or longerinstallations, we also offer a DP2HDMM1MB , a DP2HDMM2MB and a {DP2HDMM5MBenabling you to choose the right cable length for your custom installation needs.

The DP2HDMM3MB is backed by a 3-year StarTech.com warranty and free lifetime technical support.

## Certifications, Reports and Compatibility

## Applications

• Connect a DisplayPort computer to an HDMI display at your classroom desk or workstation

• Use in your boardroom or office workstations for installations requiring 3 m (10 ft.) of cable

• Install in your home workstation to make your DisplayPort computer compatible with your HDMI display

• Connect your DP video source to a 4K HDMI display

## Features

• PERFORMANCE: 10ft (3m) DisplayPort 1.2 to HDMI 1.4 adapter cable connects a DP desktop/laptop to an HDMI monitor, projector or TV  Supports UHD 4K 30Hz (3840x2160) and 1080p video, 7.1ch Audio, HDCP 1.4 & DPCP

• HOST COMPATIBILITY: DisplayPort to HDMI cable is tested for compatibility with DP++ source; Passive converter cable supports DP++ source connector incl workstations, desktops (AMD/Nvidia video card), laptops, small form factor computers & docking stations

• INTEGRATED DISPLAY CABLE: DisplayPort to HDMI adapter cable has flexible design w/ adapter chip built into HDMI connector reducing clutter & providing a tidy install in the office or home office; 10' (3m) cable length for easy routing and install

• LATCHING DISPLAYPORT CONNECTOR: DP to HDMI cable features a latching DP connector to prevent accidental disconnection from the host DP port; With chipset built into HDMI connector it minimizes signal loss, providing a crystal clear image

• EASY TO USE: With no software or drivers required, the DisplayPort to HDMI cord is OS independent; DP male to HDMI male cable
