ACOUSTIC HOOD

MAIN FEATURES

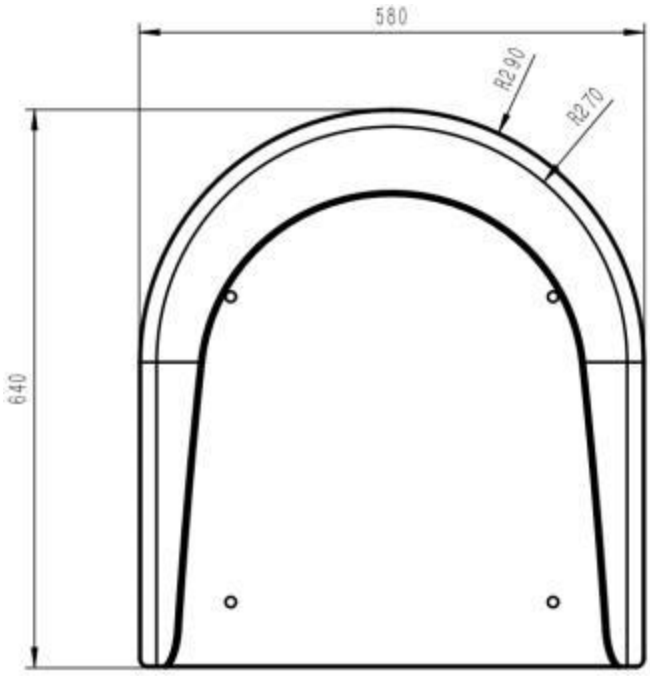

JR-TH-04 Weatherproof Telephone Hood

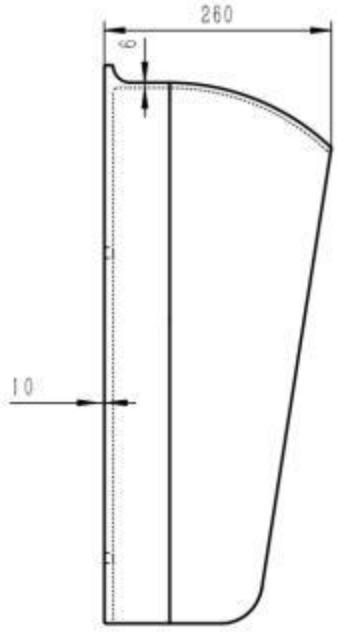

Engineered from high-strength glass fiber reinforced plastics (SMC), the JR-TH-04 delivers a sleek, modern design while offering exceptional durability. Built to endure harsh conditions, it resists freezing temperatures, corrosion, high heat, and flames, ensuring reliable performance

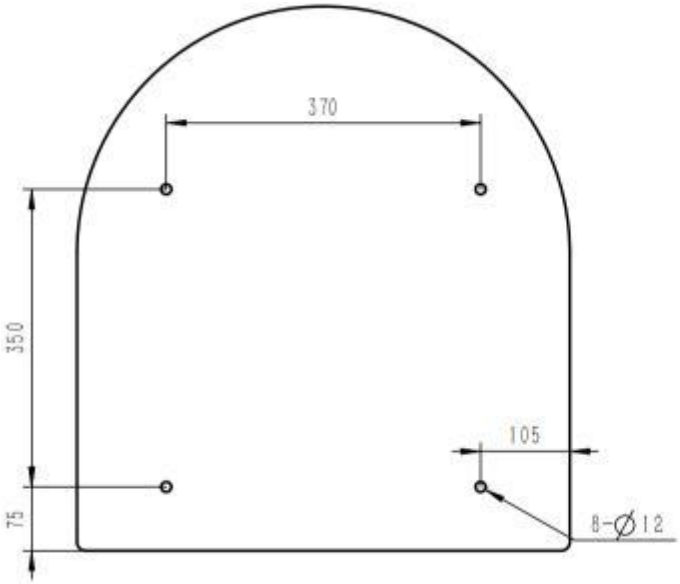

- Suitable for indoor/outdoor use, waterproof, dustproof, and UV-resistant
- SMC construction for high strength and impact resistance
- Interior space supports phone installation (max load: 30kg)
- Wall-mounted
- Available colors: yellow, red, white, or blue (other colors/dimensions upon request)
