A more efficient choice for fast mid-size cleaning tasks

When your floorcare needs to keep customers impressed – without requiring significant labor or resources – the Viper AS43 series offers a convenient solution, with cable- or battery-powered models that take the stress out of routine daily cleaning. Intuitive controls, excellent tank capacity, ergonomic handling, and resource-friendly operating modes, all help ensure that routine jobs are accomplished without overburdening your operators or increasing your costs.

- Eco and Silent modes make it easy to clean over longer periods or in sound-sensitive areas
- Easy access to solution tank, battery, and working components, with tool-free squeegee-blade removal
- Convenient controls and LCD display for fast, effective training and operation
- Ergonomic handle design minimizes operator fatigue and adjusts for multiple users
