ADVERTENCIA

Los niños pueden ahorcarse en los lazos que forman los cordones, cadenas y cintas con los que funcionan estores y persianas. Los cordones pueden enrollarse en el cuello de los niños. Mantenga los cordones fuera del alcance de los niños para evitar que se enreden o se estrangulen. Separe camas, cunas y muebles de los cordones de estores y persianas.

ENG

WARNING

Young children can strangle in the loop of pull cords, chains and tapes, and cords that operate window coverings. They can also wrap cords around their necks. To avoid strangulation and entanglement, keep cords out of the reach of young children. Move beds, cots and furniture away from window covering cords.

POR

AVISO

Os cordões e as correntes, bem como os cordões que atravessam os estores, podem apresentar o perigo de estrangulamento para as crianças, já que estas podem enrolá-los à volta do pescoço. Para evitar o risco de estrangulamento, mantenha os cordões fora do alcance das crianças. Afaste os berços e restantes móveis dos cordões dos estores.

ATTENTION

Les boucles des cordons de tirage, des chaînes et des rubans, ainsi que les cordons actionnant les habillages de fenêtre présentent un risque d'étranglement pour les jeunes enfants. Ces derniers peuvent aussi enrouler les cordons autor de leur cou. Pour éviter tout risque d'étranglement et d'enchevêtrement, tenir les cordons hors de portée des jeunes enfants. Déplacer les lits, les lits d'enfant, et les meubles se trouvant à proximité des cordons des habillages de fenêtre.
